

## **WILDLIFE TECHNICIAN I**

**Salary:** \$10.47 to 16.58 per hour, depending on education and experience.

**Opening date:** April 14, 2008

**Closing date:** Until filled

**Position:** One 6-9 month position without benefits located in Cedar City, UT, from approximately May 1 to Sept 30, with flexibility in start and end dates.

**Duties:** Technician will conduct assignments in the UDWR Southern Region. Job duties include but are not limited to: fisheries and habitat surveys on lakes and streams (gill netting, electrofishing, seining); angler surveys on Panguitch Lake; water quality sampling and sampling for Aquatic Invasive Species; maintenance of fences, water-control structures, sampling equipment, and vehicles.

**Qualifications:** Applicants must be willing to work a flexible schedule, typically a 40-hour workweek. Must be able to work overnight, some weekends, and under adverse weather conditions in varied environments. Applicants must be at least 18 years of age, be self-motivated and independent, and should have experience with ATVs, 4-wheel drive vehicles, powerboats, and power tools. Hiking and boating experience preferred. Preference will be given to applicants with a degree or currently working towards completion of a degree in biological sciences, fisheries and wildlife or closely related fields. Training to complete certification as a Non-Commercial Pesticide Applicator may be required. Position will require extensive travel; a valid drivers license is required.

**Other:** Housing is not provided. Government vehicle provided for work duties.

**Contact:** For additional information contact Mike Ottenbacher or Mike Hadley at (435) 865-6100 or [mikeottenbacher@utah.gov](mailto:mikeottenbacher@utah.gov) or michaelhadley@utah.gov. Apply by mailing resume/cover letter to:
